

# Dissemination Workshop Online

Methods From the **Frontlines** of  
Community Treatment Programs

*Earn free CEUs!* Watch this online video showcasing real world case studies from drug abuse treatment:

- Adapting EBTs to clinical practice
- Disseminating information to patients
- Using opinion leaders to promote dissemination
- Quality improvement & integration of trauma treatment
- Organizational change in EBT implementation

Featuring 5 treatment providers in the NIDA Clinical Trials Network, plus a demo of the CTN Dissemination Library.

Watch the video, take the quiz, and earn CEUs!
