

Upcoming CTN Workshop

Practical Approaches for Valid Subgroup Analysis in the CTN

This workshop will facilitate valid analyses of ethnic/racial minorities, gender and other subpopulations in the CTN. Speakers will present and discuss issues and strategies for subgroup analyses during study design and data analysis, as well as issues to consider in the analysis of the data from multiple studies.

All are welcome to attend

When: March 24, 2009

1:00-3:30 pm

Where: North Bethesda Marriott
